

work experience

L'atelier Animation

2022-2023
Vancouver, Canada

3D Character Animator

Feature film - "10 Lives"

- Created quality performances from blocking to polish
- Planned each shot with reference considering story and character context
- Kept close communication with Lead, Supervisor and Director

Key achievement Created an advanced spreadsheet to help animators manage their allotted time each week, and to speed and ease the process of logging hours.

Framestore

2022
Montreal, Canada
Remote

3D Character Animator - TV series - "His Dark Materials"

- Produced high-quality realistic animal animation

Icon Creative Studio

2021
Vancouver, Canada

Lead Animator

TV series - "Alice's Wonderland Bakery"

- Animated some of the most challenging shots of the episodes (layout + polish)
- Managed rigging requests based on the team and episode's needs
- Coordinated with all departments and production for the episode's assets
- Supported juniors and new hires with the show, workflow and pipeline
- Acted as Anim Dev, and supplied with cycles, poses, and pickers.

Bardel Entertainment

2021
Vancouver, Canada

Lead Animator

TV series - "Gen:LOCK" Season 2

- Managed one episode in the season, distributed and reviewed each shot.
- Checked animation rigs, props and sets with production coordinators
- Prepped master shots, character posing, expressions and cycles for the episode
- Mentored entry-level artists

2019 - 2020
Kelowna, Canada

3D Character Animator

"44 Cats", "The Diary of the Wimpy Kid", "Ice Age: Buck Wild"

- Animated different styles for TV series and TV features.
- Worked layout, blocking and polish

Key achievement Created a google sheet for quota management for both lead and animators

Hype
